

Please amend the Application as follows.

IN THE CLAIMS:

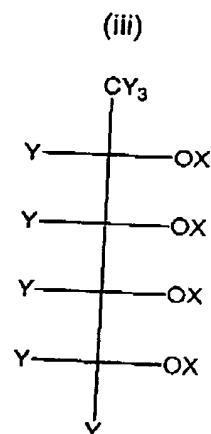

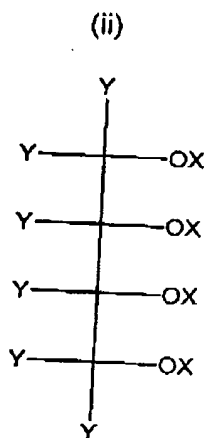

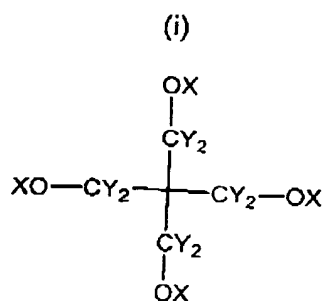

Please cancel Claims 2, 8, 13-16 and 25-27 without prejudice.

Please add the following Claim 30.

-30. The thermoplastic polymer mixture of Claim 1 wherein Y is selected independently from the group consisting of hydrogen, methyl, ethyl, propyl, butyl and phenyl groups.-

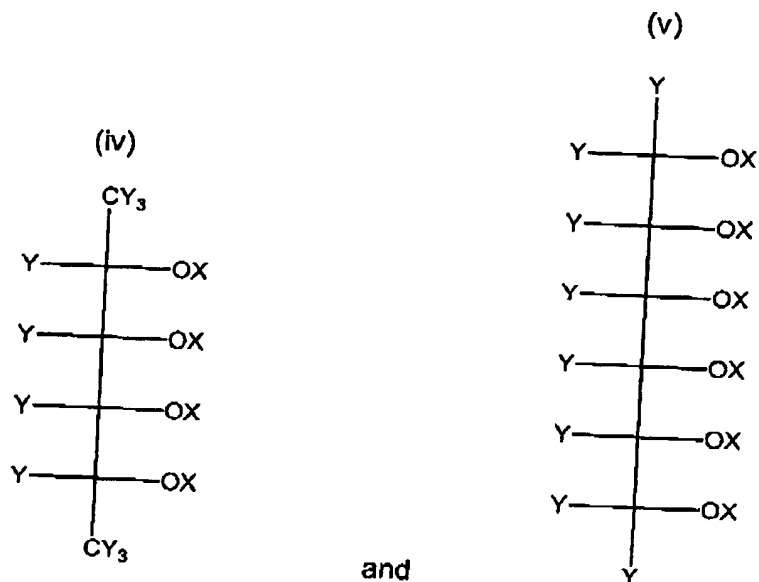

Please replace Claim 1 with the following.

1. (Thrice Amended, Clean) Thermoplastic polymer mixtures comprising:
 at least one polycarbonate; and
 at least one mould release agent with at least one polyol component;
 wherein said polyol component (I) of said mould release agent is selected from at least one member of the group consisting of polyols represented by the following formulas,

Mo6389

-2-

- X independently represents a hydrogen or an aliphatic acyl residue of an aliphatic carboxylic acid, and
- Y independently represents a member selected from the group consisting of hydrogen, alkyl and aryl groups,
- said polyol component (I) having esterified groups and free hydroxyl groups, the number of esterified groups and free hydroxyl groups of said polyol component (I) being the same.
